

These Walls Can Talk!

The art and function of vertical decorative concrete.

...and what a story they have to tell!

BEFORE

SUNDEK vertical applications transform existing concrete, brick, stucco, drywall & painted surfaces into art with no frames or limits!

From, hand-carved stone to Chicago-style brick to Picasso like murals...

the only limit is your imagination.

All **SUNDEK** systems go vertical if you let them...

- Basement Renovations
- Game/Family Room Updating
- Wine Cellars/ Man Caves
- Outdoor Kitchens
- Garages...floor to ceiling

AFTER

SUNDEK concrete coatings are ideal for:

- Retaining Walls
- Planters
- Residential & Commercial Buildings

You have always stood on it...

SUNDEK decorative concrete artisans have been beautifying the concrete the world stands on since 1970.

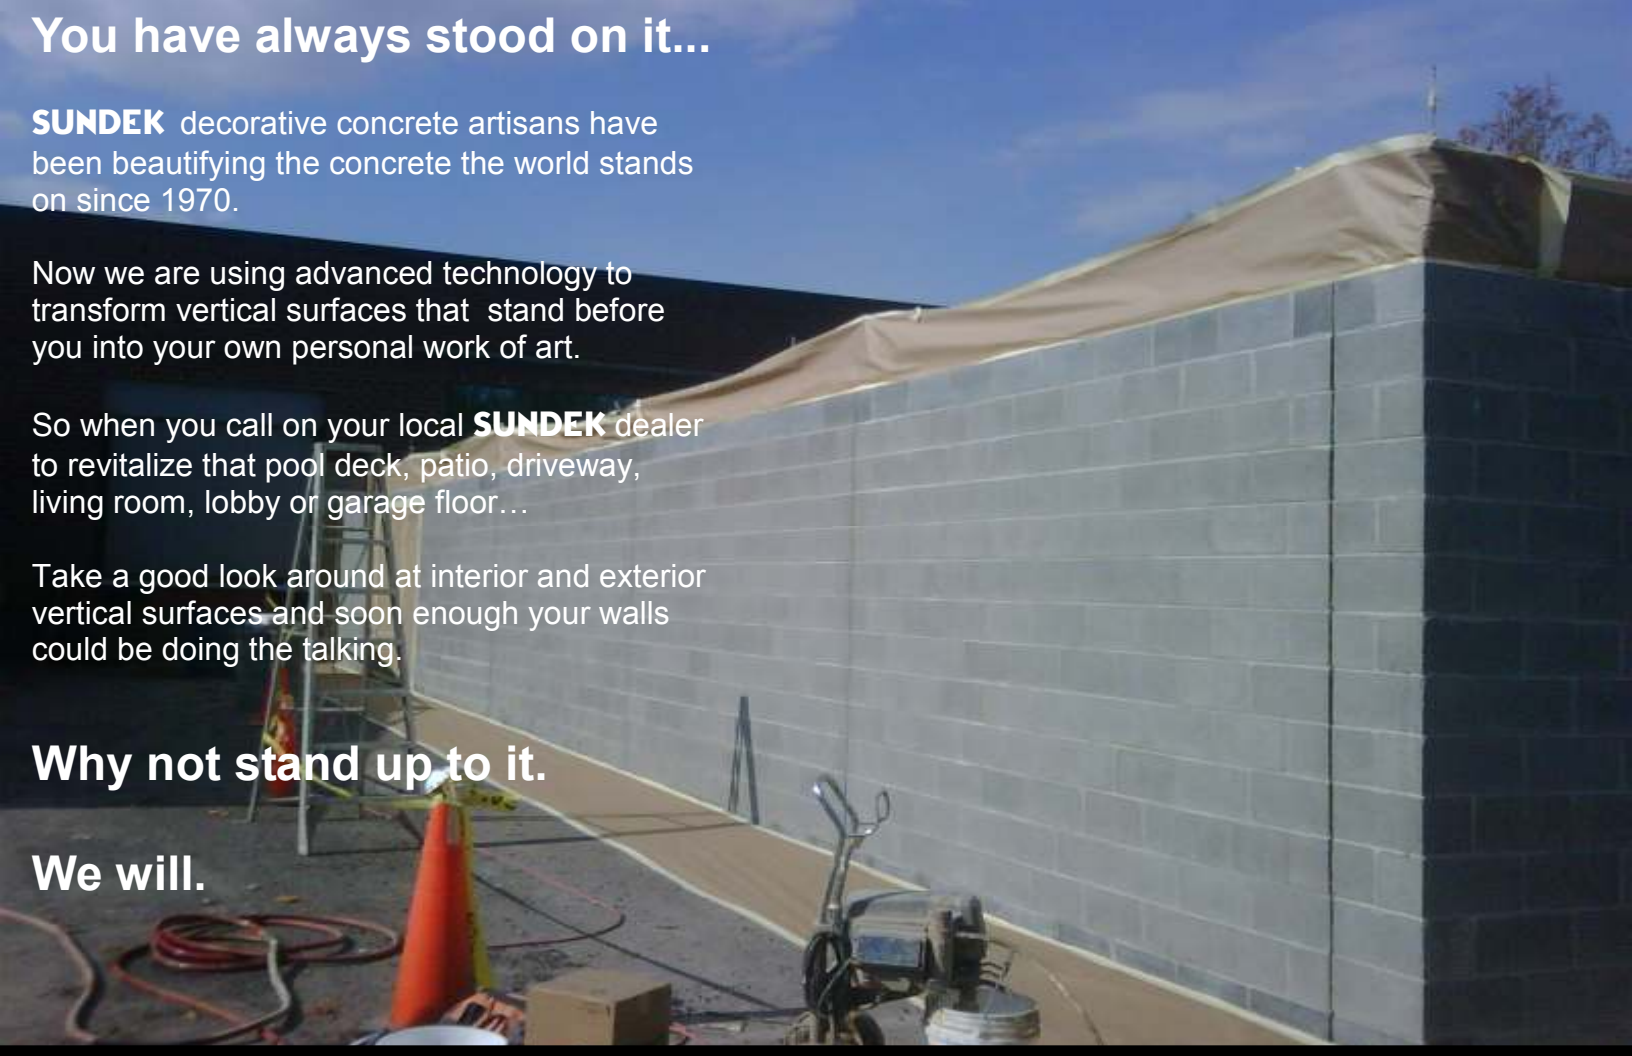

Now we are using advanced technology to transform vertical surfaces that stand before you into your own personal work of art.

So when you call on your local **SUNDEK** dealer to revitalize that pool deck, patio, driveway, living room, lobby or garage floor...

Take a good look around at interior and exterior vertical surfaces and soon enough your walls could be doing the talking.

Why not stand up to it.

We will.
