

# MATERIAL SAFETY DATA SHEET

#### COMPANY AND PRODUCT INFORMATION 1.

**Product Name:** Sundek Lift Off Release

**Supplier** 

Sundeck Products USA, Inc.

805 Ave. H Suite 508

Arlington, Texas 76011

For health and safety questions: Phone number (888) 390-0305

Fax number (817) 649-7292

E-mail: products@sundek.com

For Chemical Emergency Spill, Leak, Fire, Exposure, or Accident Call CHEMTREC Day or Night

Within USA and Canada: 1-800-424-9300 Outside USA and Canada: 1-703-527-3887

(collect calls accepted)

### 2. GENERAL INFORMATION

**Product Class:** Release Agent **HMIS Codes:** H F R P

1 2 0 G

#### 3. HAZARDOUS INGREDIENTS

CAS#

**OSHA PEL** 

**ACGIH TLV** 

90% Naphtha (petroleum), heavy alkylate

64741-65-7

100 ppm\*

100 ppm\*

**10% Proprietary Ingredient**

# 4. PHYSICAL DATA

**Boiling Point:** 355-395 F

1.9 @ 100 F **Vapor Pressure:** 

Pounds per Gallon: 6.31 **Freezing Point:** N/A

Vapor Density: 5.3, Heavier than air 0.740 - 0.775

Specific Gravity: **Percent Volatiles:** 100 Solubility in Water: Negligible

**Evaporation Rate:** Slower then ether

**Melting Point:** N/A

:Hq N/A

Appearance: Colorless, clear liquid

Odor: Mild **Molecular Weight:** N/A

## 5. FIRE AND EXPLOSION HAZARD DATA

Flash Point: 110F min. Flash Point Method Used: Tag Closed Cup

Flammable Limits: Autoignition: N/A

> **LEL:** 0.01 **UEL:** 0.06

Extinguishing media: Use water fog, "alcohol: foam, dry chemical, or CO2

Special Fire Fighting Procedures: Firefighters should wear proper protective equipment and self-contained breathing apparatus with full face piece in positive pressure mode.

Fire and Explosion Hazards: When heated above the flash point this material emits flammable vapors which, when mixed with air, can burn or be explosive. Fine mist or spray may be flammable at temperatures below the flash point. Hazardous Combustion Products: Carbon monoxide and unidentified organic compounds may be formed during combustion.

#### 6. REACTIVITY DATA

Stability: Stable

**Conditions to Avoid:** Avoid heat, sparks, flame and contact with strong oxidizing agents.

Incompatibility: Strong oxidizers. Sundek Lift Off Release Page 2 of 2

#### **HEALTH HAZARD DATA**

COMBUSTIBLE. Harmful if swallowed - can enter lungs and cause damage. May cause **Emergency Overview:** 

eye and skin irritation or injury.

**Primary Route of Entry:** Skin or eye contact, inhalation.

**Eve Contact:** Liquid is expected to be non-irritating to practically non-irritating to eyes.

**Skin Contact:** Liquid is expected to be slightly to moderately irritating to the skin. Prolonged or

repeated contact can result in defatting and drying of the skin which may result in skin

irritation and dermatitis (rash).

Inhalation: High vapor concentrations may result in central nervous system (CNS) depression. Ingestion: Ingestion of product may result in vomiting; aspiration (breathing) of vomitus into the

lungs must be avoided as even small quantities may result in aspiration pneumontitis.

Signs and Symptoms of Exposure: Early to moderate CNS depression may be evidenced by giddiness, headache,

dizziness, and nausea; in extreme cases, unconsciousness and death may occur. Aspiration pneumonitis may be evidenced by coughing, labored breathing and cyanosis.

#### 8. FIRST AID

Immediately flush eyes with plenty of water for at least 15 minutes while holding eyelids open. If irritation Eyes:

occurs, get medical attention.

Skin: Remove contaminated clothing/shoes and wipe excess from skin. Flush skin with water. Follow by

washing with soap and water. If irritation occurs, get medical attention. Do not reuse clothing until

cleaned.

Ingestion: Do not induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration of

liquid into the lungs. Get medical attention.

Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, oxygen should be Inhalation:

administered by qualified personnel. Get medical attention immediately.

Aggravated Medical Conditions: Preexisting skin and eye conditions may be aggravated by exposure to this product.

#### SPECIAL PROTECTION INFORMATION

**Respiratory Protection:** If exposure may or does exceed occupational exposure limits use a NIOSH approved

respirator to prevent overexposure. In accord with 29 CFR 1910.134 use either an

atmosphere-supplying respir, of an air-purifying respir, for organic vapors.

Ventilation: Provide exhaust ventilation sufficient to keep the airborne concentration of this product

below its exposure limits. Exhaust air may need to be cleaned by scrubbers or filters to

reduce environmental contamination.

**Protective Gloves:** Wear resistant gloves (consult your safety equipment supplier). To prevent reeated or

prolonged skin contact, wear impervious clothing and boots.

Use chemical safety goggles and/or full face shield where splashing is possible. Contact **Eye Protection:** 

lenses should not be worn when working with this material. Maintain eye wash fountain

and quick-drench facilities in work areas.

Use good personal hygiene when handling this product. Wash hands after use, before **Work/Hygienic Practices:** 

eating, drinking, smoking, or using the toilet.

**Engineering Controls:** Use this material only in well ventilated areas.

#### 10. SPILL OR LEAK PROCEDURES

Steps to be taken if material is released or spilled: Remove all sources of ignition and provide ventilation. Wear protective equipment. Dike around large spills to prevent spreading. Absorb small spills with inert material (clay, sand). Prevent contamination of surface waters.

Waste Disposal Method: The preferred options for disposal are to send to licensed reclaimers, or to permitted. incinerators. Any disposal practice must be in compliance with federal, state, and local regulations. Do not dump into sewers, ground, or any body of water.

#### 11. SHIPPING DATA

D.O.T. Shipping Name: Petroleum distillates, n.o.s. (naphtha)

D.O.T. Hazard Class: Combustible liquid

**UN/NA Number:** UN 1268

D.O.T. Labels Required: Combustible liquid

**Packing Group:** Ш Guide No. 128
