BROOM FINISH

Instead of replacing damaged concrete, restore it!

Before

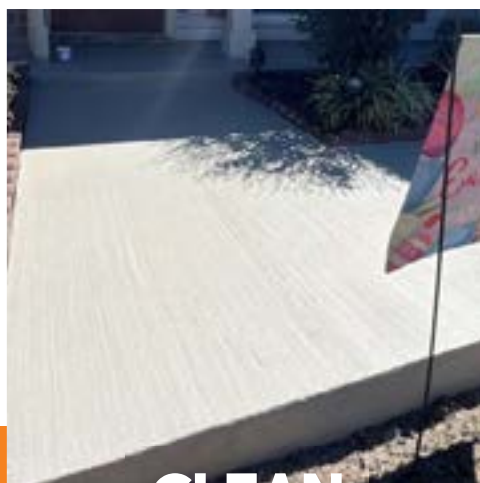

After

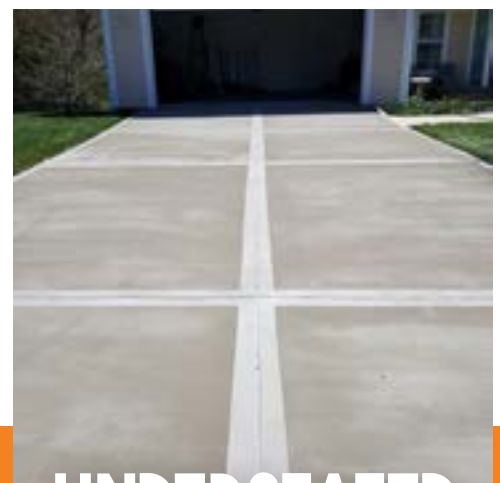

SunRestore Broom Finish provides a makeover for your old and damaged concrete surface. The coating masks the appearance of imperfect or damaged concrete to make it look like new again.

BROOM FINISH PROVIDES A SAFE & SIMPLE DESIGN

Enjoy your outdoor space again! This simple coating eliminates the need to tear out and repour concrete. Instead, cover damage, blemishes, and tripping hazards so you can get right back to making memories.

Broom Finish can be installed on:

- driveways
- walkways
- pool decks
- patios
- stairs
- walls
- and more!
