

You stand on it.

SUNDEK's Tuscan hand-crafted decorative concrete overlay provides the old world European elegance you desire with a cost-effective investment.

Every project is hand-crafted and installed by SUNDEK trained artisans.

Add the elegant Tuscan texture to old or outdated concrete instead of tearing it out.

SUNDEK's Tuscan

is a custom hand-troweled texture that provides the look of a thicker stamped overlay with a thin coating.

The SUNDEK artisans create the texture, patterns, and finishing touches all by hand. Then using a variety of stains, acrylic finishes, colored oxides, and clear finishes, each Tuscan coating has a unique look.
