

SunCoat

Coarse Texture Ideal for High Traffic Areas

SunCoat is a high performance, coarse textured concrete coating with excellent slip-resistance.

This economical coating offers protection against weather, salts and environmental pollutants resulting in a maintenance-friendly coating solution.

SUNDEK Aggregate Effects, masonry effects, & design options are available to accompany this rugged coating.

SunCoat is ideal for high traffic areas such as:

- Driveways - Entries - Balconies
- Walkways - Breezeways - Stairs
