

SunSplash

The Economical, Textured Concrete
Coating Solution

SunSplash

SunSplash is the economical decorative spray textured coating applied to existing vertical or horizontal walking surfaces.

SunSplash provides protection against weather, salts, and environmental pollutants resulting in a maintenance-friendly coating solution.

SUNDEK Effects such as Custom Scoreline, Aggregate Effects, and Masonry Effects can be added to further enhance a project's appeal. It's texture and acrylic properties provide a skid resistant surface ideal for high-traffic areas such as:

- Walkways
- Pool Decks
- Balconies
- Patios
- Retaining Walls
- Curbing
